

February 2009 International Ministry Newsletter

Last year we had a very successful Alpha Course which came out of International Café we ran. This year we are planning to start a Russian speaking home group, be thoroughly involved in Church's life and be open to hear from God what else He wants us to do.

Daniel will carry on working in KLARS <http://www.klarskl.org.uk/> as a volunteer, helping Russian speaking people get some legal advice, information, interpreting and general support. He will run the International Café, which is a great opportunity to help different nations to communicate better and still one of the most important goals in our Ministry in King's Lynn.

Alisa in November 2008 was offered a job at Springwood School in King's Lynn, and the offer still open for her now. If Daniel can get a 2 year Religious workers visa, Alisa should be able to go as dependant and get the job. That means we can serve in King's Lynn at least 2 years more.

By the grace of God and thanks to our friends John and Priscilla Horn and Golden Stable Charity matching pound for pound any money raised, so we have half the money raised now - need £3000 which would become £6000.

Prayer Points

The Gateway gets the immigration licence and we get visas.

Raise another £3000 to fund 2 years in King's Lynn

With love in Christ,
Daniel & Alisa Foytik

Daniel and Alisa are back in Russia for a break while we sort out visas under the new Home Office rules. I am looking forward to bringing them back soon. We have some great promises from God about planting The Gateway Church while reaching migrant workers. I'm looking forward to another two years of them bearing fruit among the 4000 Russian speaking migrant workers in the area.

Every blessing
